Skills

- Proficient in HTML
- Writing Test Plans
- JavaScript proficient
- Fast Learner
- Team Player
- Customer Service Experience

Accomplishments

Built the mobile version of a GPA calculator for Android devices. Developed several internal tools to automate mundane tasks that were quickly adopted by other developers.

Experience

- | | | |
|---|---|----------------|
| May 2013
To
March 2014 | Steak 'n Shake
Fountain Operator | Hilliard, Ohio |
| Assisted management with monthly inventory control and weekly stock ordering. Quickly unloaded product shipments and stocked freezers. Worked well with teammates and openly invited coaching from the management team. Cleaned food preparation areas, cooking surfaces, and utensils. | | |
| July 2014
To
November 2015 | Charley's Grilled Subs
Team Member | Dublin, Ohio |
| Up-sold additional menu items, beverages and desserts to increase restaurant profits. Took necessary steps to meet customer needs and effectively resolve food or service issues. Recorded customer orders and repeated them back in a clear, understandable manner. Promptly reported complaints to a member of the management team. Cut and chopped food items and cooked on a grill or in fryers. Prepared and served beverages such as coffee, tea and fountain drinks. Packaged menu items into bags or trays and placed drink orders into carriers. | | |

December 2015 **Giant Eagle** Hilliard, Ohio
To **Front-end Coordinator**
March 2017

Assessed customer needs and responded to questions. Cleaned and straightened work area. Organized register supplies. Worked with customer service to resolve issues. Unboxed new merchandise. Rotated stock to maintain freshness. Operated cash register with proficiency. Provided professional and courteous service. Worked overtime shifts during busy periods.

July 2017 **LSI ADL Technology, Inc.** Hilliard, Ohio
To **SMT Operator**
August 2018

Operated surface mount machines and handled components for printed circuit boards. Received orders and handled product with care and kept a clean work space. Met time constraints and keep product specifications consistent and correct. Worked overtime shifts during needed periods and helped other technicians when needed.
